I wish to thank the citizens of Albany for the generous and wholehearted support accorded me in my re-election to the Albany City Council on Monday, April 12.

During the past eight years, in which I have enjoyed the honor and the privilege of serving as a representative of the people, I have always worked for the welfare and best interests of our city. I consider the results of Monday's election as a vote of confidence imposed in me and I offer my assurance that I shall continue to serve to the very best of my ability.

L. F. WILLIAMS.

I wish to thank the voters for their confidence in electing me to serve on our City Council also Mr. Kissner, Brunniger and Townsend my District Managers.

Councilman C. F. GRAEBER.

It is gratifying to have been the choice of the voters of my City of Albany for the position of Councilman for the ensuing four years. It is with a deep feeling of the responsibility of the office and the confidence displayed in me that I undertake the coming term of office.

My sincere thanks are extended to the voters who have placed in me this trust. It will be my ambition to live up to that trust as Councilman and, along with my colleagues on the council to guide the City of Albany in the American tradition.

RAYMOND F. CLEARY.

May I express my appreciation to the voters of Albany for the confidence and support which has enabled me to be returned to the office of City Clerk without opposition.

I, also, want to assure you that I shall seek to serve for the next four years in such a manner as to warrant continued support, and justify the faith and confidence you have shown me.

As in the past, the facilities of my office will always be available to the citizens of Albany, and any records, open for inspection by anyone interested.

Thank you, sincerely,
MYRTLE J. McLEAN.

I wish to thank you most sincerely and to express my very grateful appreciation for the splendid vote of confidence that was cast for me in the recent City Election. I shall continue to serve you as efficiently and courteously as I have in the past 16 years.

GRACE L. HIGGINS,

MORGAN'S MEANDERINGS

By M. S. T.

Calling Tom Brennan: Mrs. Martha Seay, 912 Fillmore St., became a great grandmother again Tuesday morning. Not news? Then hear this. She is now the grandmother of 17 and the great-grandmother of 19. She has lived in Albany 27 years and children are not the only things she has seen grow from infancy. The latest addition to her impressive record is a boy born to her granddaughter, Mrs. Patsy Winters at the Alta Bates Hospital.

Next time you see Sid Weinzeimer at Albany Radio and Appliance Co. ask him how he got that super fountain pen of which he is justly proud.

Mayor and Mrs. Lawrence Williams are planning a week-end jaunt to Long Beach to see their granddaughter, Diane Libbeth and her Mother Doris Krammerer. On the way they will stop at Santa Barbara to pick up son Larry, Jr.

The ladies in the City Hall are wondering who the optimist was who left the umbrella there last week. Owner may have same by calling at the Hall.

Hazel Conlon looked very springy in her pretty new bonnet but it didn't at all match the huff she was in against the Berkeley Street Department. Seems their employees are completely lacking in chivalry.

Captain Vercelli of the Fire Department is after Morgan's scalp. Last week this wayward writer titled him a hosenaut, yipe! Fireman Dominic DeGiglio sez not to put his name in the paper because reporters invariably spell it wrong. O. K., Dominic DeGiglio, we won't put your name in the paper.

The Times really gets around. Mrs. Charles Hutchins tells us she often sends it to relatives in Tokio. Thanks, Mrs. H. and we hope they like us.

Soroptimist News

By BEA RAYMOND

The Soroptimist Club of Albany met at The Chef Wednesday, April 14 with President Bea Williams presiding.

After the usual opening ceremonies, our guests were introduced. The first was Anita Lee, Soroptimist, jeweler, guest of Myrtle West of West Roofing. To properly identify this charming little lady we need only say she is known as "Buddie Lee" to most of us and lives in Albany. Dorothy Simmons of Simmons Shade Shop was in the limelight. Besides being program chairman, she had as her guest Jeanne Simmons of Vancouver, Canada, her mother-in-law. A very interesting woman, Mrs. Simmons is leaving shortly for England. Dorothy's other guest was her sister-in-law, Elsie Turner of Oakland.

When Dorothy took over the program she introduced Lloyd Petersen, familiarly and affectionately known as "Pete" to everyone in Albany, manager of Villa's "Where Kash Is King."

Pete showed some very colorful pictures of Cuba and the Caribbean. We were rather relieved to know that Pete did not take the actual pictures because there were so many beautiful blondes in evidence. If you see any of the Soroptimists acting peculiarly they are trying to imitate some of the very "wiggly" dance steps in the pictures.

Other officers are Daune Cloyes, Elsie Silveria, Geraldine Nave, Agatha Wilson, Margaret Leahy, Eva Burns, Myrtle McCampbell, Vera Schweickhardt, Anna Staunton, Marellyn Gore, Ornelle Noe, June Staunton, and Winifred Hayhurst.

Albany Residents Win Badminton Titles

Charlene and Bill Burgess, San Francisco City College Students, living at 965 Evelyn Avenue, won the Northern California "B" Badminton mixed doubles title last Sunday at the Fremont High courts in Oakland. The brother and sister team defeated Frank Crowhurst and Octavia Pratt of Palo Alto in three hard fought games, 18-17, 6-15, and 15-10.

Alice Gozen, well known real estate saleswoman with C. H. Eccleston, teamed with Charlene Burgess to win the Ladies Doubles title from Gunver Lenhart and Dottie Wemmer of Oakland, 15-2, 15-7. Mrs. Gozen was also runner-up in the Ladies Singles, having been defeated in the finals by Judy Coffey, of Berkeley, 11-2, 11-4.

The Gowen family, residing at 921 Cerrito Street, were well represented in the tournament. Husband Lloyd and Alice were eliminated in the quarter finals of the Mixed Doubles. Albany High School students Lloyd, Jr. and Patricia also played in singles and doubles. Joelyn Wood, of 807 Key Route, returned from Florida by plane with the Athens Athletic Club Swimming contingent, just in time to team up with Patricia in the badminton tournament. Joelyn is also an Albany High School student.

O.E.S. Starlettes Hold Hillbilly Party

The Ben W. Vaughan home at 62 Fairmount was transformed in "Skunk Holler" recently when 40 Starlettes of Thousand Oaks O.E.S. met for a hillbilly costume party. Hostess for the evening was Naomi Vaughan assisted by Beryl Whit- tier, Elizabeth Walker and Mar- jorie Buck.

New members added to the roster were Bea Mills, Alice Dugan, Mary Bellman and Dorothy Raines. The evening's entertainment was highlighted by Dorothy Millard playing mountaineer music on her accordion. Prizes for games and song identifications were won by Thelma Waters, Dorothy Braun, Helen Smith and Pearl Smith.

The May meeting will be held at the home of Esther Pedersen with Jean Ringo, Ida Garrels and Clara Jones as co-hostesses.

Communicated

Editor:

Now that the 1948 Red Cross Fund Drive is over in Berkeley, the pleasant task of saying "thank you" to those who backed the campaign to its successful conclusion, remains.

Berkeley chapter of the American Red Cross is deeply appreciative of the cooperation of the Albany Times during the drive.

Friday, April 16, 1948

ALBANY TIMES

The success of any drive can be measured by the degree in which it is backed up in the community. We feel that the publicity which the Times gave us was responsible in a large measure for its speedy success.

We thank you too for the year-round aid in publicizing Red Cross activities.

Sincerely,
MRS. LLOYD MACY,
Chairman, Public Information,
Berkeley Chapter,

Why Power Curtailment Was Suspended

Abnormally heavy late season rains, new P. G. and E. power, and more power from other sources combine to end shortage

Heavy rains and snows during the last month raised P. G. and E. reservoirs and increased the snow pack in the mountains enough to permit the suspension of curtailment, at least temporarily.

Here is what brought about the change:

1. **January weather in Springtime**... which replenished reservoirs, increased the snowpack and cut the need for unseasonable farm pumping.
2. **New P. G. & E. power plants**... like the 101,000 horsepower Kern Steam Plant near Bakersfield which is expected to be in operation this month, and others coming on the lines soon.
3. **Additional power from other sources.** We are tapping every feasible source of power. For example, increases in deliveries from Southern California and Shasta Dam.
4. **Daylight time and voluntary savings** by our customers. These also helped, and it is important now that they continue.
5. **Water saved during curtailment.** We were able to hold precious water in our reservoirs because of the power cut.

Another appraisal of water and power supplies will be made by June 1.

Meanwhile, We're Working Night and Day on New Generating Plants

Everything possible is being done to rush P. G. and E.'s long-term power building program initiated in 1945. This huge construction program will add nearly 2,000,000 horsepower to our generating capacity in the next 3 1/2 years. Here are some of our major projects which will come on the lines soon:

Kern Steam Plant, near Bakersfield, will generate 235,000 horsepower. The first 101,000-horsepower Kern unit is expected to go on the line in the next few days.

Electra and West Point Powerhouses on the Mokelumne River, will generate 154,000 horsepower. Electra's 133,000-horsepower will be on the line this summer.

Another Steam Electric Unit... An additional 150,000 horsepower steam unit at a location as yet undetermined will be completed in 1950.

Station "P" Steam Plant, San Francisco, will produce 300,000 additional horsepower. It will go on the line this winter.

Rock Creek and Cresta Powerhouses, on the North Fork of the Feather River, will generate 270,000 horsepower. These plants are scheduled for completion in 1949 and 1950.

THANKS FOR YOUR HELP DURING THE EMERGENCY.

We know you will continue to guard against waste of electricity in every way you can.

IS THE DAY YOU ARE INVITED TO ATTEND

THE

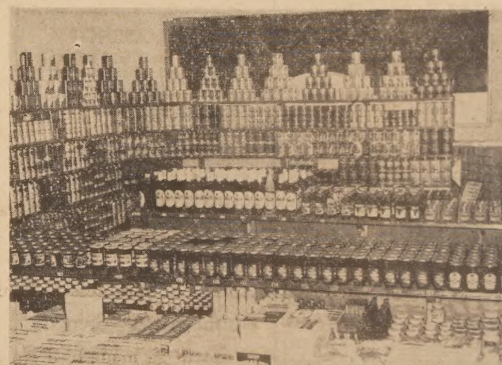

GRAND OPENING

OF ALBANY'S NEWEST SUPER MARKET

GAETA'S MARKET

731 Buchanan Street

(CORNER PIERCE ST.)

Dear Mother and All:

AT LAST IT HAS ARRIVED, I am sure you remember when we built our
home near Polk and Solano in Albany, at that time, Mr. Gaeta promised to build
a grocery store somewhere in that neighborhood for the convenience of the resi-
dents.

That was in 1939. From that time to date, for various reasons, the store was
not built. So for the last several years, day in and day out, I have been trudging
up and down these hills to San Pablo Avenue and back, lugging the two chil-
dren with my meats and groceries. It was mighty tiresome, I can tell you.

Well today, the pleasant surprise arrived, a little boy came to the door and
handed me a letter announcing the opening of GAETA'S MARKET, which
was promised so long ago. It took him a long time to do it but he sure has kept his
word. The Grand Opening date is April 17, 1948.

Out of curiosity I went down to look at the new store and believe me,
Mother, it is a dream. I had the pleasure of meeting the store manager, Mr.
Smith and he was kind enough to allow me to look around.

Gee Mother, the store has everything, a swell line of groceries, frozen
foods, vegetables, the best meats, delicatessen, candy, ice cream, cigarettes,
wines and beer. They also carry cakes, pies, etc.

No more trudging down to San Pablo Avenue for yours truly.

What's more is the fact that I can send Alice to the store and not worry
about it. There is no heavy traffic, etc. When you come up to visit us I will
show you this lovely "miniature super market."

Give everyone my love and I will be looking forward to seeing you soon.

All my love,
MARTHA.
